

Mulligan's Meadow is situated off the A420 1 mile west of Chippenham. At the Allington Farm Shop cross-roads follow the sign for Allington Village. Proceed 500 yards, taking the first small, unsigned, singletrack lane on the left, where there is a triangular grass island and small chestnut tree at this junction. In approximately 100 yards Mulligan's Meadow can be found on the right hand side through the wooden double gates where ample parking is available.
